

## ***Aashna Alumni Association***

Aashna Alumni Association of Dr. Rafiq Zakaria College for women became registered government association in **March 2019**. This association was established by the Alumni of the college for helping the minority girl students financially by providing them admission/exam fees and buying books. Association also helped students through organizing guest lectures, health checkup camp and different types of competitions. Aashna association also felicitates meritorious students and encourages them. **In October 2021** Aashna Alumni association also opened a separate bank Account in order to generate funds for the students.
