Yoga Day

Yoga day is celebrated annually on 21st June since 2015. An international day of yoga was declared unanimously by the united nation general Assembly (UNGA). Indian Prime Minister Mr. Narendra Modi in his UN address suggested the date of 21 st June as it is longest day of the year in the northern hemisphere and share special significance in many part of the world.

Total number of students participating in the event is 60-70 every year. Mrs. Sushila Banswal yoga teacher from Dr. Babasaheb Ambedkar Marathwada University Aurangabad was invited to interact with us. She effectively narrates all the importance of yoga and also gave the demo some exercises. It was also an enriching experience for teachers as well as students. Students are interested in the teaching of the yoga coach.

Dr. Rafiq Zakaria College for Women, Aurangabad
Department of Computer Science
(ICT Courses)

Technology has made it obligatory for people to change the way they perform a task. It has become imperative for people bring changes in their methodologies in accordance with the technological advancement.

ICT stands for Information and Communication Technology. It is an amazing changing power in the 21st century. Integration of ICT has enhanced the development speed in the entire education system. Many such initiatives are taken to integrate it in learning teaching process.

Educational institutions started seeing integration of Information and Communication Technology in education as a thoughtful and a systematic approach towards assessing the entire process of designing, learning, utilizing, evaluating, developing and managing the instructional strategies. The use of ICT technology is highly significant in the fields of problem solving, comprehension, mathematical layout and composition that will endure learning as well as effective functioning throughout the life.

ICT in the field of education is broadly classified in the form of a tool that aids in computer-based learning, research and presentation. It serves as an administrative tool that is useful in management of information systems. ICT not just has a great influence on education, schools and practitioners.

Though ICT is highly useful for the entire society, it is seen to be more advantageous for college students. A learning experience rich in ICT help students to develop their ICT skills. With the necessary hardware and software provided to students, they can access all the needed knowledge from ICT. In this way implementation of ICT makes an educational institution smart and progressive.

So Regarding ICT the department have started some ICT related short term courses for the students.

- 1) Raspberry Pie (Operating System) 2019-20
Course Duration:- 1 Month (11 students Appeared for this course)
- 2) Cloud Computing 2020-21
Course Duration :- 1 Month (24 Students Appeared for this course)
- 3) Artificial Intelligence 2021-22
Course Duration:- 1 Month (24 Students Appeared for this course)

Soft skill development programs

1. Short term course in communication skills

Department of English of Dr. Rafiq Zakaria College for Women started a short term course in communication skills in year 2009 till 2011. In these 2 years IV batches of students from Model D.Ed. College and our college. Even junior students were also enrolled for the course. More than 50 students were benefited from this course. This course is for the duration of three months.

2. Communication skill in English

On 22 June 2010 College received a grant of 7 lakh rupees from University Grant commission, New Delhi to run the course under the Career Oriented Courses for three years. Department still runs the same course for students. More than 200 students were benefited from the course.

The Certificate Course in Communication skills in English includes four levels of education, through Linguaphone software, supporting books containing parallel syllabus compiled by language experts, and workbooks for practice, specially designed to upgrade the language skills of students with a focus on speech mannerisms and language efficacy. Theory lectures are combined with practical of Linguaphone software and projects such as chart making and dialogue writing.

The goal is to enable students to communicate in the target language. In order to do this, students need knowledge of the linguistic forms, meanings, and functions. They need to know that many different forms can be used to perform a functions and also that a single form can often serve a variety of functions. They must be able to choose from among these the most appropriate form, given the social context and the roles of the interlocutors.

Certificate Course in Communication Skills [C.O.P.] of Department of English conducted various types of assessment as per the syllabus for every batch. The

Navkhanda, Julepee Park,
AURANGABAD. (M.S.)

evaluation of students is divided into two Semesters. Each Semester consists of 50 marks of **Theory**, 50 marks of **Practical** and 100 marks for **Project**. For theory question papers are set by teachers as per the syllabus of the course. And every year new questions were included in order to inculcate new ideas of Grammar and Communication Skills among the students. For Practicals various topics of Individual Presentation/ Role Play and Group Discussion were given to the students in order to boost their confidence on stage and develop their command over English Language. In order to encourage students the prizes were also distributed for the best presentations and best group discussions. For Projects, Department of English has adopted various methods, activities and tasks such as **Dialogue writing, Essay writing and Chart making.**

Objectives of the Course

- To develop main-skills and sub-skills for English language communication.
- To foster a positive attitude, motivation and cooperation for professional purposes.
- To encourage learners to exchange ideas, suggestions and information freely in the English language through debates, presentations and group discussions.
- To provide proper guidance in order to correct wrong habits and misconceptions about English language communication.
- To boost confidence among learners of communication [in English].

Salient features of the Course

- A well-equipped Language Lab.

PRINCIPAL
