

Dr. Rafiq Zakaria Campus-II  
**Dr. Rafiq Zakaria College for Women**  
Navkhanda Jublee Park, Aurangabad  
**Best Practices 2021-2022**

---

### **1. Research Centres**

- Objectives of the practice
- To make arrangement for research in the college campus only
- So that the students from minority should get the opportunity to do research.
- The level of research is enhanced
- The context
- Students should take it as an opportunity and do research
- Guides helps the students to do research
- The Practice
- As many as six research centre are arranged in the college.
- Three in science faculty i.e., Chemistry, Botany & Zoology
- Three in Arts faculty i.e., English, Urdu & Political Science
- Evidence of success.
- Many students (not only females but males) get benefited by research centre.
- It is easier for them to do research from college for Muslim minority girls.
- Well-equipped laboratories & Enriched library to avail the required literature survey.
- Problem encountered and resources required
- Advance technology instruments to be arranged for scientific research.
- Need financial assistance to Muslim minority students.

### **2. Vaccination Camp.**

- Objective of the practice.
- To help citizens fight covid-19 by taking vaccination
- The context.
- College felt social responsibility to help citizens get vaccination.
- Different mis concepts prevailed among people.
- The practice.
- A vaccination camp was arranged by the college.
- All the students along with parents were asked to take vaccine.
- Evidence of success.
- Many people availed this vaccination camp.
- We got positive response from the people.
- Problems encounter and resources required.
