Ref: No. STAT/VI/RG/2017-18/ 2959-60

Date: 07/02/2018

Subject: - Research Grant for the Project "Extraction and Characterization of oil of prawn"

With reference to your proposal for Minor Research Project entitled "Extraction and Characterization of oil of prawn" I am to state that the University authorities have considered the said application and sanctioned you a grant of Rs.30,000/- (Rs. Thirty Thousand Only) for the Research project cited above, subject to fulfillment of conditions laid down by the University for payment of Research Grant (Copy Enclosed) and on the condition that you have not already undertaken and completed the project.

The said grant will be paid to you in two installments. The first installment will be paid to you soon after the acceptance of all conditions attached to the Grants. The last installment will be paid after final report is submitted by you along with the statement of accounts supported by the vouchers and return of materials such as books, equipment's etc if any purchased out of the grant. The final reports and accounts shall be submitted on or before 31<sup>st</sup> March, 2018 through the Head of the Institution or the guide.

Principal Investigators to submit year wise measurable outcome of the proposal. This should be submitted before the release of installment without which grant will not be released.

Principal Investigators should publish at least one research paper in index journal (Indian citation index for social science, humanity & commerce, management science faculty, Scopus citation index for science faculty) by the end of 1<sup>st</sup> year, failure of which the project will be suspended & grant will not be released.

I am therefore to request you to go through the rules (Copy enclosed) and according to Rule (6) give further undertaking in the enclosed form. On receipt of the same the first installment of grant will be released.

Dr. Shaikh Yasmeen A.

Associate Professor,

Dept. of Zoology,

Dr. Rafiq Zakaria College for women Aurangabad.

Subject: -Research Grant for the Project "Physicochemical and biological evaluation of fresh surface water quality parameters from in and around Aurangabad city"

With reference to your proposal for Minor Research Project entitled Project "Physicochemical and biological evaluation of fresh surface water quality parameters from in and around Aurangabad city" the University authorities have considered the said application and sanctioned you a grant of Rs. 50000/- (Rs. Fifty Thousand Only) subject to fulfillment of conditions laid down by the University for payment of Research Grant (Copy Enclosed) and on the condition that you have not already undertaken and completed the project under University's Minor Research Project Grant.

The said grant will be paid to you in two installments. The first installment (Approx. 50%) will be paid to you soon after the acceptance of all conditions attached to the Grants. The last installment will be paid after final report is submitted by you along with the statement of accounts supported by the vouchers and return of materials such as books, equipment's etc if any purchased out of the grant. The final reports and accounts shall be submitted on or before 31 Jan, 2021 through the Head of the Institution.

Principal Investigators to submit year wise measurable outcome of the proposal. This should be submitted before the release of final installment without which grant will not be released.

Principal Investigators should publish at least one research paper in index journal (Indian citation index for social science, humanity & commerce, management science faculty, Scopus citation index for science faculty) by the end of 1<sup>st</sup> year and submit one copy of the report in Plan & Stat section, failure of which the project will be suspended & grant will not be released. The PI will be called for presentation of the research project in front of the respective experts of the subject by the end of 1<sup>st</sup> year.

I am therefore requesting you to go through the rules (Copy enclosed) and according to Rule (6) give further undertaking in the enclosed form. On receipt of the same the first installment of grant will be released.

women navkhanda, Aurangabad.

Subject: -Research Grant for the Project "Investigation the roots of terrorism in the novels of mohsin hamid and khaled hosseini"

With reference to your proposal for Minor Research Project entitled Project "Investigation the roots of terrorism in the novels of mohsin hamid and khaled hosseini" the University authorities have considered the said application and sanctioned you a grant of Rs. 36000/- (Rs. Thirty six Thousand Only) subject to fulfillment of conditions laid down by the University for payment of Research Grant (Copy Enclosed) and on the condition that you have not already undertaken and completed the project under University's Minor Research Project Grant.

The said grant will be paid to you in two installments. The first installment (Approx. 50%) will be paid to you soon after the acceptance of all conditions attached to the Grants. The last installment will be paid after final report is submitted by you along with the statement of accounts supported by the vouchers and return of materials such as books, equipment's etc if any purchased out of the grant. The final reports and accounts shall be submitted on or before 31 Jan, 2021 through the Head of the Institution.

Principal Investigators to submit year wise measurable outcome of the proposal. This should be submitted before the release of final installment without which grant will not be released.

Principal Investigators should publish at least one research paper in index journal (Indian citation index for social science, humanity & commerce, management science faculty, Scopus citation index for science faculty) by the end of 1<sup>st</sup> year, and submit one copy of the report in Plan & Stat section, failure of which the project will be suspended & grant will not be released. The PI will be called for presentation of the research project in front of the respective experts of the subject by the end of 1<sup>st</sup> year.

I am therefore requesting you to go through the rules (Copy enclosed) and according to Rule (6) give further undertaking in the enclosed form. On receipt of the same the first installment of grant will be released.

RESEARCH POLICY**

**Preamble:**

Dr. Rafiq Zakaria College for Women focuses on promoting Research Culture, achieve excellence in research and try to contribute to societal upliftment.

**Aims of Research Policy:**

The research policy of the college is designed as a general framework within which all the research activities of faculty and research students may be carried out. The policy aims to create and nourish a research culture among the researchers with a view to develop and promote research aptitude of learners, and to create a conducive environment for research activities in the college.

**Objectives of Research Policy:**

- The research policy aims to create and support a research culture among the learners.
- To develop desired awareness, promote scientific temper and research aptitudes among staff and students.
- To take initiative for granting study leave to faculty members for research.
- To ensure quality, integrity and ethics in research.
- To identify research areas and specify research topics of academic and socially relevant significance.
- To promote multidisciplinary research.
- To establish Research Center in different disciplines.
- To encourage and facilitate the publication of the research works in reputed National/ International journals.
- To establish MOUs Collaborations with other institutions and industries for widening the scope of research opportunities and obtaining funds to the teachers and students of the college.
- To undertake various research projects of social and academic importance.
- To create an awareness about patents and Intellectual Property Rights and motivate them to apply for patents.
- To create an ecosystem for innovations including Incubation centre and other initiatives for creation and transfer of knowledge.
- To organize seminars/conferences/workshops on research methodology.

**Scope of the Research Policy:**

This Research Policy forms the basics of the research ethics of the college. This policy shall apply to all the researchers of the college including all members of the staff, students registered in the research departments of the college, and all departments of the college. This policy shall apply to all research-related activities coming under the purview of the staff and students of the college. The policy covers publication and presentation of the research outcomes and related activities which are meant to make research socially relevant. It also includes knowledge compilation and helping the researchers to gain access to new fields of research, resources required for research and to enable peer review of their research activities.

### **Promotion of Research and Innovation:**

The college grants freedom to its faculty and students for;

- To conduct research in their interested field, to approach any funding agency for financial support for their research work, and to report their findings and conclusions freely.
- To publish their research articles in reputed journals.

The college shall strive to create a conducive environment and provides facilities and other resources for research. College motivates for writing research proposals and reports, publications etc.

### **Identification of Thrust Areas:**

Although the researchers have the freedom to choose their own topics of research, it is highly desirable to make research socially relevant.

### **Code of Ethics for Research:**

- All the researchers in the college are expected to maintain integrity, honesty and professionalism in respect of all the work undertaken by them.
- Since the college is affiliated to Dr. BAMU Aurangabad, the college follows the rules and regulations of the University and U. G. C. regarding plagiarism.

### **Research Policy:**

The college shall have a well-defined research policy which provides a guideline for the researchers. College established a Research Advisory Committee. It is responsible for implementing research policy. The specific roles and functions of research committee are as follows.

- Encourage and Promote research culture in the college.
- To identify the emerging areas of research and encourage the faculty members to undertake research in these areas.
- Encourage researchers for original quality basic and applied research.
- Provide research facilities such infrastructure, laboratory equipments, research journals etc.
- To establish linkage collaboration with other institutions and organizations.
- Encourage the faculty to undertake research by collaborating with other organizations/industry.
- To encourage faculty members to get research projects from National Funding agencies like SERB, DBT, DST, ICSSR, UGC etc.
- To establish suitable infrastructure in the college that will help to undertake different research projects.
- To enrich information and data resources suitable for undertaking quality research projects and enquires.
- Facilitate interdepartmental/interdisciplinary research projects.
- Organize workshop/ training programs to promote research culture and develop appropriate research skills among the scholars and faculty members.
- To depute faculty members to various workshops, symposia, seminars and conferences in their respective fields as well as in areas of contemporary importance.
- Encourage and promote researchers to publish their research articles in reputed refereed journals.
- Create incentives for the faculty who receive state, national and international recognition for research contributions as well as research awards from reputed professional bodies agencies.
- To undertake all other such activities which will inculcate research culture in the institute.
