Inauguration & Tree Plantation

Name of the Event: - Celebration of Tree Plantation Seed Ball Making

Date :- 09th Feb 2026

**Place : Dr. Rafiq Zakaria College for Women Chh.
Sambhajinagar.**

No. of Participants : 248s

Aim:

The aim of tree plantation is to improve both the environment and human well-being in multiple important ways. Here are the key objectives:

1. **Environmental Protection** Trees absorb carbon dioxide and release oxygen, helping reduce air pollution. They play a major role in combating climate change.
2. **Maintaining Ecological Balance** Trees provide habitat for wildlife and support biodiversity. They help maintain the natural balance of ecosystems.
3. **Soil and Water Conservation** Roots prevent soil erosion and improve soil fertility. Trees help in maintaining the water cycle and increasing groundwater levels.
4. **Improving Air Quality** Trees filter harmful gases and dust from the air, making it cleaner and healthier to breathe.
5. **Supporting Life and Livelihoods** Provide fruits, timber, medicines, and other resources. Support agriculture by protecting crops from strong winds and maintaining humidity.
6. **Enhancing Beauty and Mental Health** Green surroundings reduce stress and improve mental well-being. They make cities and villages more attractive and livable.
7. **Preventing Natural Disasters** Trees reduce the impact of floods, droughts, and landslides.

Objectives

1. The Objective of tree plantation drive were to enhance the tree cover on the campus and to sensitize the student towards importance of trees.
2. The purpose of tree plantation is to save the endangered environment and to beautify our life.
3. The lives of men and animals and other animals and insects are inconceivable without the existence of trees in the world.

ATR

The tree plantation drive was successfully conducted and achieved its objectives. It contributed positively towards environmental sustainability and motivated participants to take responsibility for nature.

Date :- 10th Feb 2026

**Place : Z.P. Urdu School Naigaon Chh.
Sambhajinagar.**

No. of Participants : 253

Aim:

- To promote overall eye health and well-being.
- To detect vision problems at an early stage.
- To prevent eye diseases through regular screening.
- To identify refractive errors and provide timely correction.
- To reduce the risk of vision loss and blindness.
- To encourage regular eye examinations among individuals.
- To improve quality of life through better vision.
- To spread awareness about proper eye care and hygiene.

Objectives

- To evaluate visual acuity (clarity of vision).
- To detect refractive errors such as myopia, hypermetropia, and astigmatism.
- To identify early signs of eye diseases (e.g., cataract, glaucoma).
- To check eye muscle coordination and alignment.
- To assess overall eye health including retina and optic nerve.
- To provide corrective measures like prescription glasses if needed.
- To create awareness about eye care and hygiene.
- To prevent further deterioration of vision through early intervention.

ATR

- Individuals will know their current vision status.
- Early detection of eye problems will be achieved.
- Necessary corrective measures (glasses/medication) will be advised.
- Awareness about proper eye care practices will increase.
- Reduction in risk of severe eye conditions through timely diagnosis.
- Improved visual comfort and daily performance.

- Better understanding of when to seek professional eye care.
- Promotion of regular eye check-ups for long-term eye health.

Rally on “Say No to Plastic & Social Awareness Cleanliness of School Campus”

Name of the Event : Rally on “Say No to Plastic & Social Awareness Cleanliness of School Campus”

Date : 13th Feb 2026

Resource Person : Mrs. Khan Anjum (Janshikshan Sanstha)

Place : Dr. Rafiq Zakaria College for Women, Chh. Sambhajinagar

No. of Participant : 180

Aim:

- To create awareness about the harmful effects of plastic pollution on the environment and human health.
- To encourage students to reduce, reuse, and recycle plastic materials in their daily lives.
- To promote cleanliness and hygiene within the school campus and surrounding areas.
- To instill a sense of responsibility toward environmental protection among students.
- To motivate students to adopt eco-friendly alternatives instead of single-use plastics.
- To spread awareness in the community about maintaining clean and plastic-free surroundings.
- To develop habits of proper waste disposal and segregation among students.
- To inspire collective action for a cleaner and greener environment through active participation in rallies and campaigns.

Objectives:

- To educate students about the environmental hazards of plastic use.
- To promote the reduction of single-use plastics in school and daily life.
- To encourage the use of eco-friendly alternatives such as cloth bags and reusable containers.
- To create awareness about proper waste management and segregation.
- To instill habits of cleanliness and hygiene within the school campus.
- To motivate students to take responsibility for keeping their surroundings clean.
- To spread awareness among the local community about the importance of a plastic-free environment.
- To develop teamwork and social responsibility through participation in the rally.
- To encourage active participation in environmental protection activities.
- To highlight the importance of recycling and sustainable practices.
- To inspire behavioral change toward maintaining cleanliness in public places.
- To build a sense of environmental stewardship among students for a cleaner and greener future.

ATR:

- The rally was organized with active participation of students and staff. Awareness messages about reducing plastic use and maintaining cleanliness were shared throughout the campus and nearby areas.
- Students displayed placards, raised slogans, and interacted with the public to spread awareness about the harmful effects of plastic and the importance of cleanliness and hygiene.
- Students and community members showed interest and understanding of the message. The rally helped in promoting responsible behavior, and students expressed commitment to keeping their surroundings clean and plastic-free.
